SECONDMENT SERVICES

Technology | Disruption | Cloud Computing | ERP | Training

PROFILE

ABOUT DTS

A BRIEF STORY ABOUT THE COMPANY

DTS is SAP authorized partner. Simply put, we are pushing the boundaries further, exploring new markets, expanding scope of ERP technology, Cloud-based products, high-level technical training programs. DTS has established itself as a market disruptor through its aggressive strategy, coupled with committed quality and delivery.

DTS pioneered SAP S4HANA training and certification, after which DTS diversified into various verticals including support and implementation of ERP, cloud technologies, SaaS based products, corporate training programs and much more.

Along the way, DTS achieved many milestones and laurels by capturing invaluable partnerships and clientele, where our delivery surpasses and extends beyond expectations.

Further ahead from here, with you.

DTS SAP VERTICALS

THESE ARE THE FOUR MAIN VERTICALS THAT DTS OPERATES IN.

SAP TRAINING

DTS offers comprehensive and interactive SAP Online Instructor-led Training (ILT) that will equip you with the skills you need to succeed.

SAP IMPLEMENTATION

At DTS, we use our resources and skills with technology to accomplish almost every task of our daily routine.

SAP SECONDMENT SERVICES

At DTS we are pushing the boundaries further, exploring new markets, expanding scope of ERP technology, Cloud-based products, high-level technical training programs.

SAP SUPPORT CENTER

DTS Managed service provides 24/7 support to take responsibility for your SAP landscape, allowing you to focus on core business activities.

SAP SECONDMENT SERVICES

At Digital Transformation Solution, we specialize in providing top-tier SAP Secondment Services to empower your organization with unparalleled expertise in SAP solutions. Our seasoned professionals are dedicated to seamlessly integrating into your team, ensuring a smooth and efficient transfer of knowledge, skills, and experience.

OUR APPROACH

We understand that successful SAP implementation requires more than just technical expertise. Our secondment services are designed to foster collaboration between our experts and your internal teams, creating a synergistic environment for achieving SAP excellence. By working side by side with your staff, we ensure a comprehensive understanding of your business processes and tailor our solutions to meet your unique needs.

KEY FEATURES OF OUR SAP SECONDMENT SERVICES:

EXPERIENCED SAP PROFESSIONALS:

Our team comprises seasoned SAP consultants with a proven track record of successful implementations across diverse industries. Benefit from their wealth of experience and industry best practices.

TAILORED SOLUTIONS:

We believe in delivering solutions that align with your specific business requirements. Our experts collaborate with your teams to understand your goals and challenges, ensuring a customized approach to SAP secondment.

KNOWLEDGE TRANSFER:

Beyond executing SAP tasks, our secondment services focus on knowledge transfer. We aim to enhance the capabilities of your internal teams, leaving a lasting impact on your organization's SAP proficiency.

FLEXIBLE ENGAGEMENT MODELS:

We offer flexible engagement models to accommodate the unique needs of your organization. Whether you require short-term support or long-term collaboration, we tailor our secondment services to match your project timeline and budget.

CONTINUOUS SUPPORT AND MONITORING:

Our commitment extends beyond the initial secondment period. We provide ongoing support and monitoring to ensure the sustained success of your SAP initiatives. Regular assessments and feedback sessions help us refine our approach and adapt to evolving business needs.
